

2019-2020 Developmental Nursery School Registration- 4/5 yr old classes

Thank you for your interest in the Developmental Nursery School at the United Church of Christ Congregational. Founded in 1963, our program is licensed by the Ohio Department of Job and Family Services. Our small class sizes are designed to enhance your child's academic and social skills through worthwhile growing experiences in an atmosphere of caring and understanding. We offer a 33 week program for 3, 4, and 5 year old children from September-May. Activities include hands on learning experiences, socially interactive play, small group activities, weekly library and music time, large muscle development, and snack time. All activities are based on Ohio's Academic Content Learning Standards for Early Childhood Education. Total school enrollment is limited to 22 four and five year old children per session.

This year we are offering two options for our 4/5 year olds:

You may choose a three day per week option, which will be Tues, Wed, and Thursday. This option will be based on enrollment and may be offered in either the morning or afternoon only. The cost would be \$120 per month.

The four day per week option will be Monday-Thursday each week for 2.5 hrs. Cost is \$160 per month.

To qualify for enrollment, your child must be potty trained.

In order for us to hold a spot for your child, please complete the form below and return it along with a \$50.00 non-refundable registration fee for new students (\$25.00 for returning students.) **Please make checks payable to UCCC**. Please return forms and registration fee to:
